

March 11, 2020

Dear Families,

A decision has been made to postpone this Friday's Grandparents & Special Friends Day event due to our desire to be proactively cautious regarding coronavirus with our full community. We are monitoring current information from authoritative sources as well as consulting with nurses and area private school officials. While postponing a joyous community-building event that welcomes many visitors to our school is not an ideal, it is the responsible measure to take for our community of students and their extended families. We will miss everyone this Friday, and we are grateful for your understanding.

Please stay-tuned for a postponed date for this event in May. There will still be a community chapel on Friday for students, and we will post special photos and videos on social media for grandparents to enjoy. Plans had been made to sell discounted Field Party and Raffle tickets this Friday to visitors, and we will be sure to do so using other means.

Finally, we will still have a half-day this Friday to accommodate staff professional development. Please make plans to pick up your child at 11:45am (Preschool) and 12:00pm (K-8). As a reminder, there will be no Mustang Club offered.

With warmth, thought, and light during this time,

Jamey Hein  
Head of School
