

Dear St. Martin's Parents,

St. Martin's-in-the Field Episcopal School's administration and staff are busy making plans for the upcoming school year. In preparation for the start of the school year, please take time now to complete your child(ren)'s registration information. This will allow us to have all of the student and family information updated and added to our electronic database in order to serve our families more efficiently in the future. **All new and current families must complete the online registration.**

The packet will be called *Enrollment/Reenrollment*. This is a way for families to enter information electronically so that next year all families will be able to enroll and reenroll online.

To complete the process, you will access ParentsWeb. If you do not have a login, please follow the [Instructions for Creating a ParentsWeb Login](#).

Our Online Enrollment system will open with a link to the enrollment packet for your child(ren). The online process should take approximately 15 minutes to complete. Your information will be saved if you need to quit and come back later. If you have more than one student, you will have to fill out an enrollment form for each of them. However, this information only needs to be entered this one time, and then updated each year with any changes, i.e. address, phone. The Instructions and Enrollment Checklist page of the enrollment packet contains supplemental enrollment forms that also must be submitted. Further instructions on these forms are provided online.

If you have any questions about the process or are having any issues, please contact me at 410-647-7055.

Sincerely,
